

Ambassador Kaji's message  
on the occasion of "100 days to Tokyo"

Tokyo 2020 Olympic and Paralympic Games start in 100 days.

Athletes and their collaborators, the organizers and the host communities, against all odds, are working hard for preparations. Spectators around the world will participate, through the IT, in the 2020 Games; the Games are held as a symbol of diversity and global unity, as a proof of overcoming the pandemic and building back better after earthquakes and tsunamis.

Bravo to the Croatian Olympians and Paralympians prema sunce!  
Tokamachi City, Marugame City, all Japan is waiting for you.
